## New Members Larry and Barbara Kell

Larry and Barbara Kell are residents of Carlisle who celebrated their first anniversary in January. The pic of Barb and I is with our granddaughter Erika Landis, she is in the future corvette owners club. I took a picture of the 2006 in the garage. It doesn't get out from under the covers too much this time of year.

Larry joined the US Air Force after graduating from Boiling Springs HS and became a T38 aircraft mechanic. After leaving the Air Force he worked for the Department of Defense before working for the Carlisle Police Department. He retired from the Carlisle Police Department after serving over 22 years.

Barbara attended nursing school and joined the Air Force after graduation where she was a Flight Nurse on a C141. She retired as a Major after serving 20 years in the US Air Force (active duty and reserve). While she served in the reserves, she worked at Carlisle Hospital and recently retired from the Commonwealth of Pennsylvania Department of Health.

This is Larry's third Corvette, having previously owned a White 1972 convertible and a Corvette metallic mahogany 1981 coupe. The

2006 triple black they currently own is Barbara's first Corvette. They are interested in participating in shows, rally's and cruises. They both look forward to being a part of CVCC.

Larry and Barbara also enjoy riding their 2016 Harley Electra Glide Limited. They are also members of the Harley Owners Group (HOG) and the Blue Knights International Law Enforcement Motorcycle Club.
