The Shifter

A message from the President

Greetings and salutations fellow CVCCer's. Well I can honestly say that this month was not at all what I expected it to be. That may be the understatement of the year (so far). This month was supposed to be the time to get out our Corvettes from their winter hibernation and to start enjoying them once again. Maybe some of you have been able to, others may not have had the chance yet. Hopefully we all can have them out soon, once this whole situation finally starts to calm down a little.

I for one was really excited because finally my car is finished and back on the road. (More on that in next month's edition of *The Shifter*.) I know there are some members that have never seen my Corvette on the road, or at a show. If you did you probably forgot what it looked like. I was really hoping to drive it around and finally take it to some of our events instead of driving my all road or Sarah's silver bullet Saab. But between all these stay-at-home orders that my county is under and the fact that classic tags can technically be a little limiting on the reasons I can legally drive my car, I think I may have to wait a little longer. I figure I've waited 3.5 years what's another few weeks? (I hope it doesn't go beyond that.) I did get to drive it in to my work so I could have it inspected. I was also able to drive it up and down I83 to make sure everything felt good with it. So, I got a small taste of being behind the wheel of it once more. But to fully enjoy it will have to wait for the foreseeable future.

As for happenings, meetings, and events those will be evaluated on a case by case basis. Our March board meeting was canceled as was a potential cruise that was being organized. We have already decided to cancel the upcoming April membership meeting. I certainly do not want to endanger the health and well-being of anyone in the club. If there is anyone that can use some support during this time, please let someone know. We can try to find some help for you or someone you know. I hope everyone stays healthy and safe, so we all get back to doing what we all love doing, driving our Corvettes.

Mike Bede
President
Cumberland Valley Corvette Club

CVCC Membership Meeting minutes

March 5th , 2020 Elks Club, Carlisle

The meeting was convened at 7:00 pm by Mike Bede, President, with a moment of silence for personal thoughts and prayers for Military, First Responders and our Country. Club members then participated in the Pledge of Allegiance.

Officer's Reports

President: Mike Bede. A few words from EJ Andreas thanked all for prayers, cards. Unbelievable. You are a wonderful club and the support received is unreal. The support I received is unreal. I don't think George realized how many people loved him. I had well over 130 cards; that says a lot. This man was a great man and I just want to thank each and every one for your contributions, your help. And not only that I want to thank everyone for the help with my son and his girlfriend and your generosity. They were burned out of their apartment and they lost everything and what you have given is absolutely unbelievable. We thank you; my son Scott thanks you. He was not able to be here this evening. I just want to say thank you from the bottom of our hearts.

1. Everyone should have received the directory and if you have any changes/corrections to your email. Please send me an email so I can update Google Group.

Vice President: Matt Bergemann. New member readings: Larry & Pamela Kinn, sponsored by Brian Demnicki. They don't have a Corvette but are enthusiasts. Motion to accept the Kinns made by Tom Douville and Gary Martin. Motion accepted. Darren Reighard. Sponsored by Stew Cook. Has a 2006 Z06. Motion to accept made by Dan Shreffler and Dan Probst. Motion accepted. Mike Shreffler was sponsored by Dan Shreffler. He has ordered the new 2020 Corvette. Motion to accept Mike made by Brian Demnicki and Tom Poole. Motion accepted. Welcome to the club.

Secretary/Minutes: Sue Douville. Previous minutes: No correction to the February 2020 minutes. Rob Green made a motion to accept minutes and Dave Walter seconded the motion. Motion approved. Correspondence: Thank you letters received from the Andreas Family. Received thank you from Trinity United Methodist Church for \$50 donation in memory of George. Thank you from the Residential Home Health Hospice for donation of \$50 in memory of George. Rick and Joanne Binker thank you card, calls and coming to the viewing. Also thanked club for donation to the Kidney Foundation in memory of Rick's Mother. Received thank you from the Kidney Foundation for donation of \$50.

Treasurer's Report: Mike Breen. Copy of report on each table and I will review major categories. Income for February was \$6,474.31. Total in checking and savings account is \$26,824.43. This seems like we have a lot of money; however, most of the funds will be used toward Pocono Driving School. Motion to accept Gary Miller and seconded by Brian Demnicki. Motion approved.

Governor's Report: Sarah Bede. You should have received your NCCC renewal cards in the mail. If you haven't, send me an email and I will check on it.

Standing Reports

Charity Committee: Barb Breen. 1. First drive for this year will be for the Carlisle Area Family Life Center, they used to be called Birthright of Carlisle Inc. They have been around since 1979. Collection will be in April and May. On your table is a list of the items that they are in most need of. The information will also be on the Google Group, newsletter and the website. Someone asked what small toys; they create layettes for new mothers and they put a small toy in it for the babies. They also accept gift cards. They can also use pack-in-plays, cribs, high-chairs, strollers and clothing that are second hand as long as they are gently used. 2. We started talking about the Disaster Fund previously and what should happen with the money left over; is it going to carry over or put it back into the general fund etc. There were lots of comments made at that time. The Charity Committee looked at the \$250 put aside each quarter for last year, which everyone voted on. The Committee looked at the process from last year and we have come to the conclusion that really isn't necessary to put the money aside since the Charity Committee operates on an "as needed basis". So if someone brings to our attention an individual or organizational need, we look at the need, we approach the board and then the membership and we address it. So we really don't need really need the \$250 on a

CVCC Membership Meeting minutes

March 5th, 2020 Elks Club, Carlisle cont'd

Quarterly basis. We made the recommendation that we discontinue it; we made the recommendation to the board and we have the consensus from the board that this would be acceptable. We are bringing it back to the membership to eliminate the \$250 per quarter. Does anyone have any comments? Dave Walter made a motion to discontinue the disaster fund and Tom Douville seconded the motion. Motion approved. Any further discussions? Second motion on the floor from Mike Breen is to put the \$250 set aside from the first quarter of 2020 back into the general fund. Motion from Paul Dagan, seconded by Rob Green. Motion approved.

Newsletter: Matt Bergemann. The winners of the logo contest were Lisa & Wade Kemp. They won a raffle ticket for tonight's raffle. Everyone likes the logo contest.

Website: Tom Douville. It's been a year since the website inception and we have had 2,450 hits which is pretty good. I'm looking for any suggestions or anything that you would like to see on the website that you aren't seeing. If you do, please send me an email. This is the club's website! The Facebook page currently has 101 members on the group.

Club Apparel: Mike Bede. Liz Bloser isn't here tonight; however, especially for the new members, the information and order form can be found in the newsletter.

Cruises: Tom Mitchell. The 2020 season will kick off on April 18, 2020. Cruise to the west side of the Juniata River. Stop for lunch and brew at JP Edwards Grill. Sign up on the website.

Past Business: None

Business and Upcoming Events

Waxers: George Bobb. No report

Speed Events: Anthony Chilbert. Capital City Airport has given Anthony to dates for AutoX: May 31 and July 19. Those dates are locked in for now, but may change. Will need workers. Food truck has been confirmed for both events. More information to follow.

Pocono Driving School: Dave Walter. We have 2 open spots open in the advanced group. We have made some money. Our income to date is \$16,800. 69 participants entered, but I can't take any more students until I find more instructors. Will need workers. Need motion to pay for the track. Paul Dagan and Faith Chilbert made the motion. Motion approved. Mike Breen will pay for the track.

Holiday Party: Ed Hare. Sign-up accepted tonight. Deadline to sign up is March 6. The party has been rescheduled for March 14th due to inclement weather. Same time, same place. You can give me your name so you are on the list and I can mail the money to me.

Bowling: Paul Dagan. Bowling challenge between CVCC and the York Club will be on March 22 at the Colony North, in York. He will put out an email with the time and cost.

Time Equipment: Mike Bede. 1. Quotes for new timing equipment was placed on each table. We ran into an issue last year at where a couple of eyes failed; fortunately we had some back-ups and we were able to use them. The issue we are running into is that the system is no longer being supported so the board felt it would be time to look into and get quotes for a new timing system. I received a quote from Solar Performance that handle the Farm Tek System. 2. Option 1 is the first quote is for the system with all the extras that we need like spare eyes, antennas and a custom cable to use with our exiting score board. Option 2 is the second quote and includes all the equipment in the first quote plus a way to add an additional wireless scoreboard. We had discussed adding an additional scoreboard at Carlisle so that other people could see times such as

CVCC Membership Meeting minutes

March 5th, 2020 Elks Club, Carlisle cont'd

spectators and people in the pits. The board felt that it would be wise to stick with new timing system and reuse our existing scoreboard and if we want to add an additional scoreboard later we can do so. The total quotes are \$1,545 for the system and \$2,559.95 for the system and additional scoreboard. It is compatible with our existing software that we run. They can have the system to use within a couple of weeks. Mike will contact company for exact turn-around time. There is a discussion of setting up a mini event at Carlisle since that is the venue that will be more taxing with the amount of distance we cover. 3. Dave Walter suggests option 2. Dave made a motion to opt for option 2 and Larry Kiser seconded the motion. Need motion for option 2 off the table. Sarah Bede made a motion and Brian Demnicki seconded the motion. Those in favor of option 2 by show of hands is 31 and those opposed to option 2 by show of hands is 33. Motion to go with option 1 made by Barb Breen, seconded by Brian Demnicki. Motion approved to go with option 1. 4. Will need all the timers to get together once we have the system to test the equipment and 4-5 cars to test system to run practice session. Date to be determined.

Open to Floor

Ed Hare is looking for Mark Walden to give him the free Fun Field Registration for him.

Tom Douville: Spring Auction will be held on April 23 and 24th. Will be soliciting for volunteers to drive, push and put on sold stickers. Carlisle Events donates \$1,200 to the club. Summer Sale, June 27th. I will not be there but hope that someone will volunteer to take care of club sign in sheet and waivers. More information and sign up available on the website.

Matt Bergemann: Ted Pesano has taken over the CVCC License Plates. He is waiting to receive information from Bill Fertenbaugh.

Gary Wolf: For new members, last year I did a hike for Parkinson's and we raised pledges with the Clubs help for John Hopkins. This year I will hike for Alzheimer's. One of every 3 people over 65 will die due to complications from Alzheimer's. I will do the easy part, the hike and soliciting donations. The Charity Committee will choose the organization for the donation. Tom Douville has volunteered to get the word out to all the people not part of the club who donated last year. I will have more information at the April meeting and the Charity Committee will have everything finalized to accept donations. Just to tell you a little bit about the hike will be on the Appalachian Trail. I will go southbound starting at Harpers Ferry, WV on April 26 and, if I'm able to, it will take me 2 months. I will walk approximately 17 miles per day and the distance is 1,026 miles. I will be going by myself this year.

Mike Bede: April will be our awards meeting and I hope all members will attend this meeting. He and Matt have something special planned. This will also be a celebration of our 55th anniversary.

Adjournment:

Motion to adjourn made by Paul Dagan and seconded by Larry Kiser. Meeting adjourned at 8:00

Next Board Meeting, March 17, 2020 at Hoss's, Mechanicsburg.

Next Club Meeting, April 2, 2020, at the Elks Lodge, Carlisle.

Secretary

CVCC Board Meeting minutes

March 17th, 2020

Electronic Delivery

Officer Reports

President: Mike Bede, Google Group, Board Meeting was cancelled due to Coronavirus 2019

Vice President: Matt Bergemann, Nothing to report

Secretary: Sue Douville, Nothing to report

Treasurer: Mike Breen, 1. We have \$13,931.63 and \$1,020 pending deposit from the Holiday Party for a combined checking and savings account total of \$14,951. 2. FYI, checks must be made payable to CVCC or Cumberland Valley Corvette Club. Members 1st will not deposit checks made out to 3rd party and endorsed to CVCC.

Governor: Sarah Bede, NCCC events are being cancelled across the country.... With NVCC being the first.

Committee Reports

Website: Tom Douville, 1. Anthony Chilbert and Mike Breen have been working with Capital City Airport to add them to our sponsor page as a thank you for their help with using their property for the auto crosses. Their ad is up and running on the sponsor page of the website. 2. Also, Todd Olejniczak (Capital Senior Services) renewed his sponsorship for another year. I have the check for \$50 and will get it to Mike Breen as soon as possible. 3. Teresa has contacted Ronda Lawrence. She will work something up for us and is to send it to me.

Newsletter: Matthew Bergemann, Nothing to report.

Charity Committee: Barb Breen, 1. The Carlisle Family Life Center Drive flyer was posted on the club website and will be posted in the March club newsletter. 2. Gary Wolf's walk to raise donations for Alzheimer's has been postponed.

Pocono: Mike Bede, I received from Dave Walter the latest update on Pocono:

"We are going to follow CDC and state mandates. That will be Pocono Raceway's stance through this entire process. That is the only decision the track can make and how we will continue to operate, as that is legally required of us and all facilities in Pennsylvania. If other tracks are operation with different processes in the state of Pennsylvania, they are doing so at their own risk. If you are referencing tracks out of state, then they have to follow whatever state level mandates are rolled out for their specific state. We have many clients that are eager to run if at all possible and even under CDC recommendations, so it does not make sense for us to make a large scale closure this early into things with the possibility of being able to run. This does a disservice to lease clients who are desperately looking to run if at all possible. Our main response from lease clients is to hold off on large scale closures if at all possible.

We are expecting all lease clients to be responsible for their own business decisions and make decisions that are best fit for their operation. On our end, we are going to do everything we can to go green as soon as possible. This is the only way forward at this time, as there is no concrete information on how long this all will last. **Obviously, we will work with you to reschedule or cancel your event if you feel that is the best route forward for your business operations. I know some tracks are still enforcing contract cancellation payment requirements, Pocono Raceway is not."**

So now we just need to clarify a couple details, hopefully soon. But now, I hope at least we should be ok financially from all of this. As soon as I know more I will let everyone know.

CVCC Board Meeting minutes

March 17th, 2020

Electronic Delivery

Past Events and News Business

Holiday Party: Ed Hare, Well, the holiday party is in the books, such as it was. The numbers are as follows: The venue cost us \$2,567.80. I'm turning in \$1,020. The total cost for club was \$1,547.80 plus what Mary spent. I'm refunding money to 9 people who requested it. A couple of members told me not to give them a refund. Mary has \$177.24 left over that she would like to keep until next year.

Upcoming Events and Business

Bowling Challenge: Paul Dagan, Challenge has been cancelled.

Hot Summer Nights: Teresa Baker, Hot Summer Night Car Show is tentatively scheduled for Friday, June 12th, 5-8 pm.

Auction: Tom Douville, Due to the COVID-19 situation, Carlisle Auctions has pushed the Spring Auction back a month to May 28 & 29. Also, the Summer sale scheduled for June 27th has been CANCELLED for this year.

CARLISLE Events

2020 Season Schedule Update

The 2020 Carlisle Events car show season is speeding our way quickly. At the same time, there are bigger happenings in the world that we are ALL keeping an eye on. Please note, Spring Carlisle, its two-day auction and the Summer Sale auction are the ONLY changes to date. Spring Carlisle is NOW May 27-31 and the Summer Sale has merged w/the Spring Auction, May 28-29. The FULL and otherwise unchanged Carlisle schedule is noted below.

Import & Perf. Nationals - 5/15 to 5/17

Summer-Sale - Merged w/Spring in 2020

Spring Carlisle/Auction - 5/27 to 5/31

Chrysler Nationals - 7/10 to 7/12

Spring Auction - 5/28 to 5/29

Truck Nationals - 8/7 to 8/9

Ford Nationals - 6/5 to 6/7

Corvettes at Carlisle - 8/27 to 8/30

Chevrolet Nationals - 6/26 to 6/27

Fall Carlisle/Auction - 9/30 to 10/4

APRIL & MAY DRIVE CARLISLE AREA FAMILY LIFE CENTER

Please support the Carlisle Area Family Life Center by donating any of the items listed and bring them to the April and May Membership Meetings

The Carlisle Area Family Life Center is a nonprofit and non-judgemental organization. The Center's mission is to support, educate and give practical assistance, in a loving way, to families in need by providing positive alternatives to abortion and by enabling them to make informed decisions regarding their lives and the lives of their unborn children. The Center relies totally on donations to support its work to reach out to women and families in the community.

Will also accept gently used maternity and children's clothes (Newborn - 4T) and baby gear and equipment (NO CAR SEATS OR BUMPER GUARDS).

Corvette Award

1962 Corvette

Terry & Donna Mitchell, Carlisle, Pa.

Terry's love affair with 1962 Corvettes began 58 years ago, when he would drool over his neighbor's car from behind the handlebars of his Schwinn Panther II. The Mitchells acquired this car almost 12 years ago in already restored condition. Terry has spent a lot of time

improving its appearance, rebuilding the front end, and maintaining it. He and Donna frequently drive the Corvette from spring through fall, weather permitting. For those times when Terry's mood changes, he purchased an original set of 15.5-inch wheels with 1960 passenger-car dog-dish hubcaps, and fitted them with black sidewall radial tires.

In February Donna and I traveled to Philadelphia to attend the AACA annual convention banquet to receive the National Corvette Award.

Pictured: Terry and Donna receiving their award; The very impressive 2019 National Corvette Award; Theo Mitchells' 1962 Corvette.

**Thank you,
Terry**
